Team Note:

WE DECIDED NOT TO TL THIS PAGE. IT BASICALLY JUST REFERENCES PREVIOUS CHAPTERS WHERE THE INDICATED PARTS OF MEGUMI WERE DRAWN

AH, SEMPAI
HE-..
HEY THERE

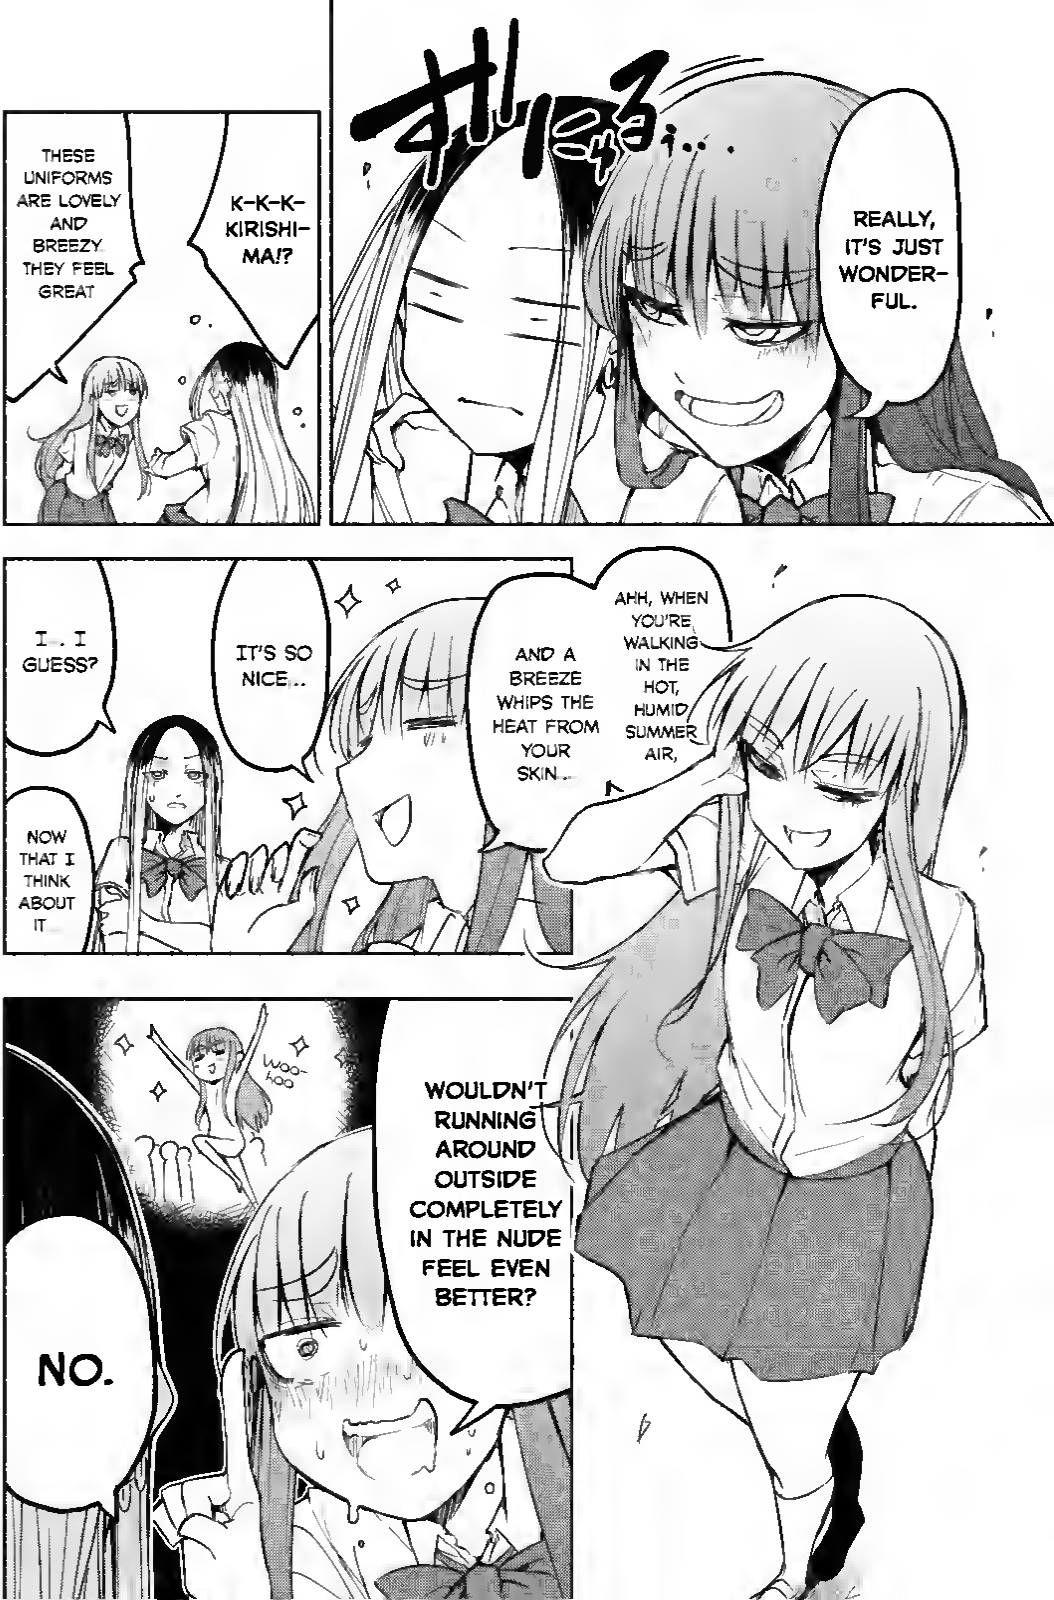
W-WHAT'S UP WITH YOU? DON'T GO QUIET LIKE THAT
THAT SUMMER UNIFORM REALLY DOES SUIT YOU
R-REAL-LY...?
THANKS...



THESE UNIFORMS ARE LOVELY AND BREEZY. THEY FEEL GREAT

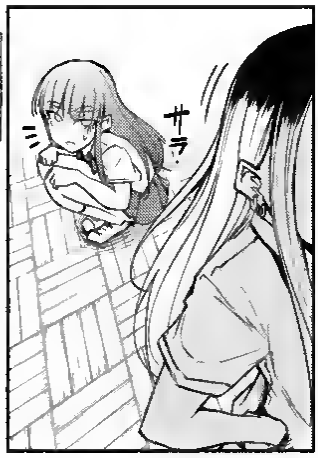
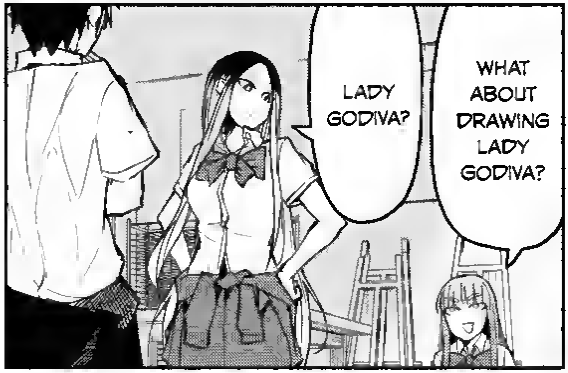
すりすり...
REALLY, IT'S JUST WONDERFUL.
I... I GUESS?
IT'S SO NICE...
NOW THAT I THINK ABOUT IT...
AND A BREEZE WHIPS THE HEAT FROM YOUR SKIN...
AHH, WHEN YOU'RE WALKING IN THE HOT, HUMID SUMMER AIR,
WOULDN'T RUNNING AROUND OUTSIDE COMPLETELY IN THE NUDE FEEL EVEN BETTER?
NO.

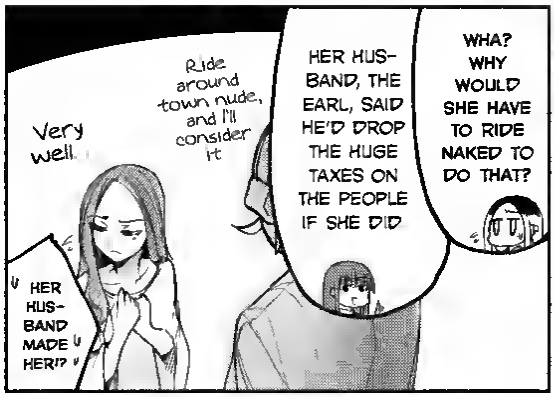
**Megumi-sempai:**

A delinquent high school girl who finds herself unable to resist Eda's straightforwardness. Although still quite embarrassed about her modelling, she might just be starting to enjoy it somehow...





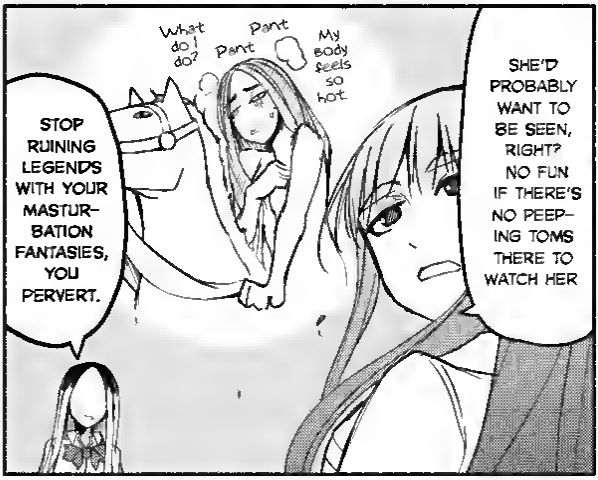
John Collier's 'Lady Godiva'.
It's a painting depicting the legend of Godiva, Countess of Mercia riding a horse through the streets of Coventry, England naked to save the townspeople from oppression.



WHA? WHY WOULD SHE HAVE TO RIDE NAKED TO DO THAT?
HER HUS-BAND, THE EARL, SAID HE'D DROP THE HUGE TAXES ON THE PEOPLE IF SHE DID
Ride around town nude, and I'll consider it
Very well
HER HUS-BAND MADE HER!?

**Eda:**

A talented art geek who very much enjoys sketching his senpai, Megumi
It should be said, though, that as much as he's fond of drawing her, currently he has absolutely no romantic interest in her



STOP RUINING LEGEND'S WITH YOUR MASTUR-BATION FANTASIES, YOU PERVERT.
What do I do?
Pant Pant
My body feels so hot
SHE'D PROBABLY WANT TO BE SEEN, RIGHT? NO FUN IF THERE'S NO PEEP-ING TOMS THERE TO WATCH HER

LADY GODIVA DIDN'T HAVE TO DEAL WITH BEING WATCHED LIKE THIS—
IN THIS OUTFIT IT FEELS LIKE HE CAN TRACE EVERY LINE OF MY BODY—
AND...

EVEN THOUGH THEY'RE WEARING THEIR UNIFORMS...
I'M THE ONLY ONE HERE THAT'S...
DRESSED LIKE THIS, IN A SWIMSUIT, IN A PLACE LIKE THIS...

THIS FEELS AMAZ-ING..

To be continued

Galloping through the school in a swimsuit... Sempai's embarrassement just never ends.
